RADIO PSA :30

Client: First Responders Children's Foundation

**RADIO ANNOUNCER:**

First Responders are people who stand for a greater purpose. They will be there for you when nobody else is. To help you, your family, your community, make it through. Whatever the day may bring. This is their selfless promise. This is their sworn duty. To protect, to serve, to help. When you call 911, first responders show up. Now let's show up for the people who show up for us, every day and every night. Go to [FirstRCF.org](http://FirstRCF.org) to find out how you can make a difference today!
